OBJECTIVE

I am a passionate Motion Graphics Designer currently studying at the Faculty of Applied Arts, Helwan University. With hands-on experience in creating dynamic animations and digital designs, I have developed skills in tools like Adobe After Effects, Illustrator, and Photoshop. My focus is on motion graphics, character animation, and visual storytelling. I am driven to learn and excel in the field of digital design.

EDUCATION & Certifications

- ✓ **Studies At Faculty of Applied Arts, Helwan University**
